LIST OF D. P. W. SUBJECTS.

SHIMOGA DISTRICT.

Subject and speaker	Summary of discussion	Reply of Govt.
Subject No. 248 **Repairs to Anikats across Kanihalla stream. Mr. Sanna Subba Rao of Shimoga District Fund Board and Mr. T. Venkatappa of Shimoga Taluk.**	The 2 or 3 anikats across the Kanihalla stream in the Shimoga Taluk intended for the irrigation of the lands of 13 villages in the Shimoga and Gaznur Maganis, being out of order their early restoration may be ordered so as to give the lands sufficient supply of water.	Referred to Public Works Department for investigation.
Subject No. 249 **Irrigation works. Mr. Nadig Sivappa of Sorab Taluk.**	The following irrigation works may be ordered to be taken up— 1. Repairing Bangarawud. 2. Do Koravanjiwud. 3. Do Hijadawud. 4. Do Uddriwud. 5. Do Guddikoppadawud.	The Deputy Commissioner will investigate.
Subject No. 250 **Bridging the river Varada on the Siralkoppa-Gondi road. Mr. Nadig Sivappa of Sorab Taluk.**	As this road has a large traffic, a bridge across the river is a desideratum.	This will be looked into after dealing with more important projects.
Subject No. 251 **Anikat across the Tunga river. Mr. Sanna Subba Rao of Shimoga District Fund Board and Mr. K. Hiranyappa of Shimoga Taluk.**	The construction of an anikat across the Tunga river near Mandagadde would enable a large quantity of land being brought under wet cultivation.	This will be investigated in due time.
Subject No. 252 **Drainage scheme for Shimoga town. Mr. Sanna Subba Row of Shimoga District Fund Board.**	During the rainy season water does not flow freely in the drains in the Shimoga town. This gives rise to offensive smells and is injurious to the health of the people. The early elaboration of a drainage scheme is therefore desirable.	Under investigation in the Sanitary Department.
Subject No. 253 **Improvement and extension of Sogil Anikat. Mr. Nadig Gopalappa and Mr. Narasingappa of Honnali Taluk.**	The anikat built across the Hirehalla at Sogil at a cost of about a lakh of rupees is incapable of irrigating the lands intended to be benefited by it. If the Kanihalla from the Shankar hills is diverted into Hirehalla and the level of the anikat raised, not only will the said lands be sufficiently served but also the lands of Dasarahatti, Kunkava, Vaderahattur, Kankanhalli and other villages.	The Deputy Commissioner will inspect the spot and ask the Public Works Department to take such action as may be feasible.
Subject No. 254 **Repairs and improvements to Mallapur tank. Mr. Devappa of Shikarpur Taluk.**	On a representation made in 1895, the Deputy Commissioner was asked to cause needful repairs to be done to the tanks of Keregaddi and Mallapur. Nothing has however been done as yet. Early orders may be passed on the subject.	Mallapur tank project is under investigation. The other will also be soon looked into.
